

MiCredit Life Policy Wording

Each and every individual who joins MiWay enters into a contract where "me + I" are the most important considerations. Therefore this policy wording is written in the first person.

This policy includes my consent to the sharing of private underwriting, financial and claims information as set out in the standard disclosures made in terms of the Financial Advisory and Intermediary Services Act.

My Bold print (policy wording), Coversheet (schedule) and any relevant attachments explain what cover I have.

I must read the entire Bold print to understand and appreciate its full meaning and impact on me. It defines the cover provided with various icons to highlight:

- ✓ What is covered
- ✗ What is not covered

Scenarios (examples) are used where applicable throughout my Bold print to help me understand certain concepts. I am aware that the scenarios used are not exhaustive and do not form part of the Bold print.

I must check my Coversheet to ensure the information noted is correct.

Definitions

Wherever the following words or phrases appear, they will have the meanings described below:

Accidental death

Death due to an unplanned and unexpected event.

Authorities

The following are examples of authorities: South African Police Services, Metro Police or Traffic Officers. The list must not be deemed exhaustive.

Collection date

The collection date is the preferred date of collection selected by me and noted on my Coversheet, or
The date in terms of the Policyholder Protection Rules with regards to non-payment of premium, or
The date with regards to pro-rata premium that MiWay and I mutually agree on.

Coversheet

The Coversheet contains my personal details, risk(s) insured, lives assured, premium payable, conditions of cover and particulars of the vehicle finance agreement, which could be updated from time to time in order to ensure appropriate cover is effective.

Credit Provider

The credit provider is the registered financial institution whose interest, in the insured property forming the subject matter of the Credit Agreement, is noted in this policy.

I / My/ Me

The policyholder named on the Coversheet and anyone acting on my behalf and/or entities named as the insured.

MiPersonal Solution

The general terms and conditions in this section apply to all aspects of my policy.

My policy

The contract includes the:

- Bold print (policy wording) and
- Coversheet (schedule)

Consensus between myself and MiWay needs to be reached on the risk(s) to be insured, insured value, type of cover, terms and conditions, commencement date, premium and collection dates. My policy will be activated once my first premium is received by MiWay. I am accordingly informed thereof by MiWay.

I must ensure that all the information supplied by me, or anyone acting on my behalf, is correct and complete as any incorrect information may affect the validity of my contract or prejudice any claim I might have under this policy.

Period of insurance

The period of insurance is the period from the collection date of my cover up to and including the day preceding the next collection date. The term of this policy will be equal to the remaining period of my finance agreement up to a maximum of 72 months.

Premium payments

My premiums must be paid in advance on the collection date, should the collection date fall on a public holiday or Sunday the premium will be collected on the working day before or on the first working day thereafter. MiWay may, should my premium return for any reason, attempt to collect my next premium close to my preferred collection date in order to ensure payment.

Payments not received

If MiWay does not receive my payment for my policy on the collection date, I will not have any cover for the period for which I did not pay. MiWay will allow at least a 15-day period of grace for payment of premium. I need to notify MiWay, within the grace period, which account of mine has available funds in order for MiWay to again attempt to collect my premium.

- In the case of a monthly policy, the 15-day grace period will only apply from the second month's due payment onwards. If MiWay does not receive the premium for 2 months in a row, my policy will cancel automatically.
- In the case of an annual policy, my policy will automatically cancel if my annual premium is not paid on the collection date or on the date after the 15-day grace period.

Policy changes and cancellation

Any change or amendment which I make will be effective from the time and date agreed to. I have to give MiWay a months' notice prior to cancelling my policy, which entails that a pro-rata premium could be collected at the next collection date.

Scenario:

Should I contact MiWay to cancel my policy on the 4th of a month, the cancellation will be effective from the 4th of the following month. I therefore will have cover till midnight on the 3rd of the following month.

Should I cancel my policy within 3 months from the agreed commencement date, I will be liable for the administration fee as noted on my Coversheet.

MiWay may change or cancel my policy by giving me 31 days notice. MiWay may give me notice verbally, electronically, by fax or by post to my last known address.

Cover will cease on either of:

- The settlement of a claim under Death, Permanent and Total Disability or the Critical Illness Benefits, or
- My attaining the age of 65 years for both the death or disability benefits, or
- My attaining the age of 60 years for both the critical illness and retrenchment benefits, or
- At the end of the finance agreement period up to a maximum of 72 months.

For cancellations I must also take into consideration "Deliberate or fraudulent acts" and "payment not received".

Refunds in the event of cancellation of my policy

If a premium has been paid for any period beyond the date of cancellation of this policy, MiWay will refund the relevant portion, less any administrative costs provided that no valid claim has been submitted for that period.

Surrender value

No surrender value is payable under this policy. In the event of an annual premium policy a pro-rata refund of premium will be paid in the event of a policy being cancelled by me during the period of insurance, less any administrative costs.

Age limitation

I can apply for cover from the date of my 18th birthday. I cannot apply for cover after my 59th birthday. Cover will end when I reach 60 years of age for both the critical illness and retrenchment benefits and at age 65 years for either the death or disability benefits.

Number of lives

I can include one other person as a life insured under this policy provided that he/she has an insurable interest in the item that is being financed.

Cession

It is recorded and agreed by me in my application for this insurance that I assign and transfer the benefits in terms of this policy as collateral surety to the finance house as security for the outstanding debt owed by me to the finance house. I further assign and transfer all the respective rights, title and interest in this policy to and in favour of the finance house and accordingly MiWay undertakes, in the event of a valid claim to pay the benefit as defined to the finance house. This cession supersedes and cancels any other beneficiary nominated by me.

Insured value

MiWay will pay me the lesser of the outstanding balance due to the finance house, less any outstanding arrears, and the projected loan balance based on the original loan repayment schedule on the date of the happening of an insured event giving rise to a claim during the term of this policy. The projected loan balance will be calculated according to the original loan and term of the finance agreement, taking changes in the interest rate into account.

My obligations

In order to have continuous cover and a valid claim, I need to:

- pay my premium
- give MiWay and the authorities true and complete information at all times. MiWay acts on the information I provide, therefore any information, which is misleading, incorrect, false or not disclosed in connection with this policy, will prejudice my claim

Scenario:

If I supply MiWay or the authorities with incorrect details, MiWay will not be able to validate the true events surrounding the incident.

- use all reasonable care and take all reasonable precautions to prevent or minimise loss, damage, death, injury or liability

Replacement of existing policy

Replacement of existing policies will generally be to my disadvantage because it involves the duplication of initial costs and premiums and terms could be affected by deteriorating health and age.

Dual insurance

If I have any other insurance policies insuring the same cover, MiWay will only pay their pro-rata portion of any claim.

Choice of Law

The law of South Africa will apply to this contract.

Sharing of information

MiWay respects the confidentiality of my information. In order to guarantee sound insurance practices and prevent insurance fraud MiWay confirms and discloses information relating to claims, insurance and financial history. This is applicable to anyone who is covered under my policy.

Dates on which a claim occurs

The following dates will apply in the event of a

- | | |
|--------------------------|---|
| ● death claim | the date of death; |
| ● disability claim | the date on which the incident occurred if the disability is attributable to such date, or the date of the first medical report declaring the disability to be of a permanent or temporary nature; |
| ● critical illness claim | the date of the operation, if it was an operation, or the date of the heart attack or stroke, or the date the coma, paraplegia, renal failure, blindness or cancer was conclusively diagnosed by a physician; |
| ● retrenchment claim | the date the employee received official notification from his or her employer. |

Important time limits

I will only be compensated for a claim if I:

- report my claim to MiWay as soon as possible, but not later than 30 days after any incident
- give MiWay any documents that I receive in connection with any claim, within 120 days
- give MiWay all the information and documentation which MiWay may ask for, within a reasonable time period decided on by MiWay

Claims documentation

I must supply original documentation or copies certified by a Commissioner of Oaths. MiWay will have the right to inspect all the documentation pertaining to the claim and will communicate any problems regarding the documents to the relevant person.

Examination following a claim

I may be required, whether or not then alleged to be suffering the effects of an injury, to be examined, at any reasonable time at MiWay's expense, by a medical practitioner of MiWay's choice. The report by this medical practitioner will for all purposes be binding upon MiWay and me.

Scenario:

If I want to claim for critical illness, MiWay can choose to send me for a medical examination at their own cost. The outcome of this examination will determine any benefit due to me.

Deliberate or fraudulent acts

MiWay will not compensate me for a claim when I, or a member of my household or anybody who acts on my behalf, deliberately causes the loss or injury. If I, or anyone acting on my behalf submits a claim or any information or documentation relating to any claim, which is in any way fraudulent, dishonest or inflated MiWay will reject that whole claim. MiWay will cancel my policy retrospectively to the reported incident date, or the actual incident date, whichever date is the earliest.

Disputed claims

If I dispute the outcome of my claim, I have 180 days from the day that I am first informed of the outcome to notify MiWay about my objection in writing and in which to serve summons. If I do not serve summons within this period, my right to challenge the decision is forfeited.

When I am covered

✔ **Death**

This benefit provides cover in the event of my death occurring during the term of this policy. MiWay shall pay the finance house the insured value in one lump sum payment. No claims resulting from illness will apply for the first 90 days of this policy.

✔ **Total and Permanent Disability Benefit**

This benefit provides cover in the event of me becoming totally and permanently disabled during the term of this policy. MiWay shall pay the finance house an amount equal to the death benefit. For the purpose of this policy, MiWay will regard permanent disability to mean medically certified total disability, as a result of illness, injury or disease, which cannot be cured or treated and which prevents me from earning an income by following my own or similar occupation in keeping with my education, training or ability and experience. I shall also be deemed to have suffered permanent disability upon the permanent loss of or loss of use of either both hands, feet, one hand and one foot or both eyes. No claims resulting from illness will apply for the first 90 days of this policy.

The credit provider shall be paid after a deferred period of 30 days, the contractually agreed monthly installment owing by me or a portion thereof if I only suffer partial loss of income. This benefit terminates automatically on the date of my 65th birthday. The benefit will be paid until my recovery. If in MiWay's opinion, I become permanently disabled the permanent disability benefit may become payable. For the purposes of this policy, MiWay will regard temporary disability to mean medically certified temporary disability, which prevents me, as a result of illness, injury, disease or accident, from earning my normal income by following my own occupation.
