

Policy Wording

MiPersonal Insurance

Each and every individual who joins MiWay enters into a contract where "me + I" are the most important considerations. Therefore, this policy wording is written in the first person. My contract includes this policy wording and my Coversheet.

This policy includes my consent to the sharing of private underwriting, financial and claims information as set out in the standard disclosures made in terms of the Financial Advisory and Intermediary Services Act.

I must read the entire policy wording and Coversheet to understand and appreciate its full meaning and impact on me. I must check my Coversheet and ensure that all the information is correct and complete. This policy wording defines the cover provided with various icons to highlight:

- ✓ What is covered
- ✗ What is not covered

Scenarios (examples) are to explain certain points. The scenarios used do not represent all situations.

When material changes to our terms and conditions are made in a new version of the MiWay policy wording, we will highlight the changes for your ease of reference.

WHAT DOES THIS MEAN?

Wherever the following words or phrases appear, they will have the meanings described below:

- Authorities** The following are examples of authorities: South African Police Services, Metro Police or Traffic Officers. The list must not be deemed exhaustive.
- Collection date** The collection date is the preferred date of collection selected by me and noted on my Coversheet, or
The date in terms of the Policyholder Protection Rules with regards to non-payment of premium, or
The date with regards to pro-rata premium that MiWay and I mutually agree on.
- Coversheet** My Coversheet (policy schedule) contains my personal details, risk(s) insured, period of insurance, premium payable, conditions of cover and endorsements which could be updated from time to time in order to ensure appropriate cover is effective.
- Finance house** The finance house is the registered financial institution whose interest, in the insured property forming the subject matter of the Credit Agreement, is noted on my Coversheet, if applicable.
- I / My / Me** The policyholder named on my Coversheet and anyone acting on behalf of the policyholder.
- Incidents** Incidents which occurred in the last 3 years need to be disclosed to MiWay and should be noted on my Coversheet.
An incident relates to any accident, loss or event that I, any member of my household or anyone covered under this policy, may have suffered or have been involved in irrespective of whether a claim was submitted or not or whether the item was insured at the time or not.
Typical examples where the incident needs to be disclosed:
I drove my vehicle and hit a pothole damaging my wheel and rim. I decided not to claim from my insurer and repaired/replaced the damaged items myself (irrespective of whether a claim was submitted or not)
My daughter, whom I am covering under my policy, had an accident whilst driving her company vehicle which was not insured (irrespective of whether the item was insured or not)
I had an attempted break-in at my home and the locks to my front door were damaged. I replaced the locks myself as the damage was less than the excess I had to pay on my claim (irrespective of whether the claim was paid or not)

MiPersonal Solution

The general terms and conditions in this section apply to all aspects of my policy.

WHEN WILL MY COVER START?

- MiWay and I need to agree on the risk(s) to be insured, insured value, type of cover, terms and conditions, start date, premium and collection dates.
- My cover will start when my policy starts. My policy will only start on condition that the first premium is received by MiWay.

Changes

- Any change which I make will be effective from the time and date agreed to.
- If MiWay makes any changes I will be notified 31 days before the effective date of the change. MiWay may give me notice either verbally or communicate their notice to my email address, cellular number (via SMS or WhatsApp) or postal address noted on my Coversheet.

WHEN WILL MY COVER END?

Cancellation

- I may cancel my policy at any time with immediate effect.
- MiWay may cancel my policy by giving me 31 days' written notice by email or post to my address noted on my Coversheet.

- MiWay will cancel my policy with immediate effect should I, anyone covered under my policy or anyone acting on my behalf fail to comply with MiWay's reasonable instructions or requests, commit fraud on a claim or is found to be dishonest in relation to a claim.
- If I do not pay my monthly premium for 3 months in a row my policy will cancel automatically from midnight on the last day for which premium was actually received.
- My policy will automatically cancel if my annual premium is not paid on the collection date or on the date after the grace period has lapsed.

Refunds in the event of cancellation

If a premium has been paid for any period beyond the date of cancellation of an insured item or this policy, MiWay will refund the relevant portion less any administrative costs, provided that no valid claim has been submitted for that period.

WHAT MUST I PAY TO HAVE COVER?

- My premium, which is noted on my Coversheet, must be paid in advance monthly or annually, depending on my period of insurance. My period of insurance is specified on my Coversheet and runs from my preferred collection date noted on my Coversheet. My period of insurance will not change even if MiWay debits me on a different date.
- MiWay will attempt to collect my premium from the bank account I supplied to them. Should the collection date fall on a public holiday or a Sunday, the premium will be collected on the working day before or on the first working day thereafter.
Scenario: Should my preferred collection date during December fall between the 25th of December and the 1st of January, MiWay will attempt to collect my premium before the 25th.
- MiWay will also accept premium payments made via MiWay approved payment platforms.
- MiWay may, should my premium return for any reason, attempt to collect my premium for my next period of insurance before my preferred collection date in order to ensure payment, and/or alternatively my premium may be paid via a MiWay approved payment platform.
Scenario: If I have a monthly policy and my preferred collection date is on the 27th of the month, my cover will be from the 27th until midnight of the 26th of the next month. If it happens that MiWay deducted my premium on a different date, say on the 21st of December, my cover period will not change due to the early collection. I will have cover from my preferred collection date, the 27th of December until midnight on the day before my next collection date, thus 26th of January.

Premium payment not received

- If MiWay does not receive my premium, I will not have any cover for the period for which I did not pay.
- I will have 15 days grace from the collection date to make arrangements for premium to be collected from my chosen bank account. In the case that the non-payment was as a result of a deliberate act by me, it is my sole responsibility to contact MiWay and make arrangements for premium to be collected as MiWay will not automatically attempt to collect the premium. For monthly policies this grace period will only apply from the second month of cover onwards.
- During the grace period, I will still be covered on condition that the unpaid premium is paid within the time period provided.

WHAT MUST I DO?

In order to have continuous cover and a valid claim, I must:

- pay my premiums and keep MiWay informed of any changes to the banking details where the premium must be collected from
- ensure that I, members of my household, any person with authorised access to my property, anyone acting on my behalf, or anyone covered under this policy adheres to the terms and conditions of this policy
- give MiWay and the authorities true and complete information at all times. MiWay acts on the information I give them
- take all reasonable steps to prevent or minimise foreseen loss, damage, death, injury or liability.
Scenario: If my driving speed was excessively over the posted speed limit for the road I was travelling on, at the time of an accident, MiWay will consider whether to pay my claim based on the extent to which I exceeded the posted speed limit.
Scenario: If my geyser bursts and water is pouring through the ceiling, I need to take action to prevent or minimise further damage to my household goods.
Scenario: If I continue to drive my vehicle after an impact while being alerted by warning lights in my vehicle which results in further damage to the engine, I may be covered for the initial damage caused by

the impact, however, I will not be covered for the damage caused to the engine as a result of me driving the vehicle after the incident.

- not admit any fault, nor make any settlement offer without MiWay's written consent
Scenario: *If I am involved in an accident I must not agree to pay for the other party's damages as my offer may negatively affect MiWay's processes of settlement or recovery.*
- follow or act on all MiWay's reasonable instructions and/or requests
Scenario: *In the event that MiWay asks me to complete any document to enable MiWay to validate a claim, I need to do so within the reasonable time set by MiWay.*
- get MiWay's consent before doing any repairs
- inform MiWay immediately of any changes to any information noted on my Coversheet or affects the acceptance of my application for insurance by MiWay, which include but is not limited to:
 - ▶ the address where I usually keep the insured items
Scenario: *If I move from a security estate to a freestanding house, I need to inform MiWay of the new address as the acceptance of the risk, terms and conditions and premium charged need to be re-assessed by MiWay.*
 - ▶ the regular driver (the person who drives my vehicle more often in any given monthly period)
Scenario: *If I am noted as the regular driver, my premium is based on my profile. If my 18-year-old daughter starts driving my vehicle more often than me and thus becomes the regular driver of my vehicle, I need to inform MiWay as the premium paid will be incorrect and I will not have cover on my vehicle in the event of a claim.*
 - ▶ my circumstances that may affect acceptance of cover, terms and conditions or premium charged, like:
 - security devices installed
Scenario: *If your premium is calculated on the basis that you have a tracking device in your vehicle and you cancel the contract with the tracking company, you need to inform MiWay as this could affect the outcome of future claims.*
 - My conviction or the conviction of any person covered under this policy for an offence related to dishonesty

Important Time Limits

MiWay will only pay a claim if I:

- report my claim, or any incident that may lead to a claim even if I do not want to claim for it, to MiWay as soon as possible, but not later than 30 days after the incident
Scenario: *If I have been involved in an accident, but have no damages to my own vehicle, I must still report the incident as the other party may decide to claim from me or my insurance.*
- report immediately or as soon as reasonably possible after becoming aware of the incident to the police, any lost items and loss or damage caused by theft, attempted theft, hijacking, attempted hijacking, fire, intentional act and a collision (if required by law)
- send a summons from a third party through to MiWay within 10 days after receiving it. MiWay will not be responsible for any legal costs, interest or additional damages where the third party obtained judgment due to my delay
- give MiWay any documents that I receive in connection with any claim against me, within 10 days after receiving it
Scenario: *If I receive a letter of demand from another party, I must forward the letter to MiWay within 10 days for them to attend to the matter.*
- give MiWay all the information and documentation which MiWay may ask for, within a reasonable time period decided on by MiWay
- start with the repairs or replace any item(s) I have claimed for within 6 months from the date that my claim was authorised

WHAT MUST I REMEMBER?

Misrepresentation, Misdescription or Non-disclosure

- I must ensure that all the information supplied by me, or anyone acting on my behalf, is correct and complete as any incorrect information may affect the validity of my contract or prejudice any claim I might have under this policy.
- If I misrepresent, incorrectly describe or fail to tell MiWay of any important fact or circumstances relating to this policy, my policy may be cancelled or invalidated from the start date and any claim under this policy will not be paid.
- Where the policy is invalidated (voided) from the start, all premiums received by MiWay less any cost incurred by MiWay will be refunded.

Deliberate or Fraudulent Acts

- MiWay will not pay me for a claim when I, members of my household, any person with authorised access to my property, anybody who acts on my behalf or anyone covered under this policy, deliberately caused the loss, damage or injury.
- If I or anyone acting on my behalf submits a claim or any information or documentation relating to any claim, which is in any way fraudulent, dishonest or inflated, all benefits under this policy in respect of such a claim will not be paid. MiWay will reject the whole claim and all premiums paid that have been received by MiWay will not be refunded. MiWay will cancel my entire policy retrospectively to the reported incident date, or the actual incident date, whichever date is the earliest.

***Scenario:** If MiWay receives new information at any stage and it is found that I was dishonest on a previous claim, the previous claim will be rejected and my policy will be cancelled from the previous reported incident date.*

Dual Insurance

If I have any other insurance policies insuring the same item for the same cover, I will be paid proportionately on a valid claim. I will still be liable to pay the full excess applicable on my claim and no premium refund will be available to me. This does not apply to Personal Accident cover.

Proof of Ownership and Value

MiWay may, when reasonable, ask me to prove ownership and value of the items I claim for. I also need to make damaged items, which I am claiming for, available for inspection in order to prove the extent and nature of the damage.

***Scenario:** MiWay asks for proof of purchase of a Sony PlayStation that I bought ten months ago. I am unable to provide MiWay with the invoice or bank statements to prove the purchase. MiWay may, at its discretion, exclude the item from my claim or limit the pay-out on the claim.*

MiWay may Act on my Rights

- When I submit a claim, MiWay may act on my rights or obligations against other people or entities to recover costs or to defend any possible claim against me. MiWay will act on the version provided by me during claim stage. If at any stage it is found that my version differs from the truth, MiWay will not be responsible for any legal costs, interest or additional damages and may recover any such costs already incurred from me.
- I may not institute and/or proceed with any litigation or action to recover any excess payment or negatively influence any claims that MiWay might have against the third party.

***Scenario:** If I am involved in an accident that was not my fault, MiWay will automatically try to recover my excess and the money that MiWay paid in settlement of my claim from the third party. If I made a personal arrangement in the meantime with the other party to recover my excess and by doing that prejudiced MiWay's rights to recover their costs, I will be liable towards MiWay with regards to the prejudice MiWay suffered as a result of my actions.*

Applicable Law

The law of the Republic of South Africa will apply to this contract. All damages and legal costs awarded against me must be by a court within the Republic of South Africa.

Permission to the Disclosure of Personal Information

MiWay does not and will not transfer, process or provide my personal information for independent unauthorised use to or by third parties. MiWay may, however, share my personal information with other insurers and MiWay business partners if that information is required to provide the product or service I have requested. However, MiWay business partners will adhere to using my information only as directed by MiWay.

The following list includes but is not limited to some of the instances when MiWay will disclose the personal information obtained from me:

- When any regulatory authority requests it;
- To comply with any regulation or any legal process;
- To enforce and protect MiWay's rights and property (including intellectual property) and/or where MiWay has a legitimate interest to do so;
- When I have expressly authorised MiWay to do so; or
- If MiWay undergoes a change in ownership.

Access to personal information within MiWay is restricted to those individuals who have a need to access the information for MiWay's business purposes.

- I hereby give consent to MiWay to:

- ♦ retain, process, and verify my information against reputable and secure database sources and provide to any other insurance company, any insurance information I or anyone on my behalf has given MiWay regarding any insurance policy or claim made or lodged by me, anyone acting on my behalf or anyone covered under this policy.
- ♦ retain and/or share my information for research and statistical purposes.
- ♦ process my information for the purposes of determining premium, excess and any other risk related matter relating to this policy.
- ♦ use any available information, in order to assist MiWay in validating a claim, that is derived from but not limited to, my:
 - ▶ vehicle's tracking device, internal computer, dashcam, MiWay App and any other security installed
 - ▶ CCTV footage and/or any security installed at my property noted on my Coversheet
- MiWay will retain my information for the prescribed period of 5 years, or for as long as required or entitled by law, after termination of my policy, after which MiWay will de-identify (where the information can no longer be used to identify me) my information.
- This permission clause will remain in force even after my policy is terminated for whatever reason and for the duration that the de-identified information is retained by MiWay.

WHAT AM I NOT COVERED FOR?

- ✘ Any claim for loss, and/or consequential loss, damage, death, injury or liability, which is directly or indirectly caused in the process of, by or results from:
 - ♦ Electricity Grid Failure, whether declared by the authorities or government or not, refers to a partial or complete regional, municipal (local, district or metro), provincial or national interruption or suspension of the supply of electricity or reinstatement thereof, in any form and/or for any reason.
 - This exclusion does not apply to power surge incidents due to load shedding which remains covered following scheduled load shedding of up to a total of 12 consecutive hours, as long as power surge is noted on my Coversheet as covered. Load shedding is defined as a scheduled electricity supply interruption enforced by any party other than the insured, carried out in phases, which doesn't affect the entire municipality, region, province, or the country at substantially the same time.
 - ♦ war or war-like acts
 - ♦ military uprisings, usurped power, rebellion or revolution
 - ♦ civil commotion, labour disturbances or public disorder
 - ♦ any act of terrorism by any person or group, whether acting alone or under instruction
 - ♦ pollution, contamination, radioactive or nuclear material
 - ♦ any cause that was not sudden and unforeseen
 - ♦ gradual deterioration, including rising damp, wear and tear, rust, mildew or fading unless stated otherwise
 - ♦ servicing, maintenance, cleaning, repairing, restoring, dyeing, bleaching or alteration
 - ♦ mechanical-, electrical- or electronic breakdown, defect or failure
 - ♦ computer viruses, electronic programmes, data or unlicensed software
 - ♦ moth, vermin, insects or pests
 - ♦ me or any member of my household, any person with authorised access to my property or any person covered under this policy being under the influence of alcohol, drugs or narcotics
 - ♦ the use of the insured property for, or in connection with, the commission of any offence. This includes any incident relating to obtaining, using or soliciting narcotics
 - ♦ leaving my keys at an unsecure place and/or with an unknown person and/or a person with no regard and/or responsibility toward my insured item
 - ♦ domestic disputes or related incidents
 - ♦ Cybercrime – this includes but is not limited to, any loss or damage to any items covered under this policy resulting from acts of hacking computer systems including fraudulent input, modification, disruption, deletion, or damage of data in the computer system (examples of computer systems include and are not limited to mobile phones, keyboards, touchscreens, barcode scanners, touchpad).
- ✘ Not receiving payment after selling my possessions or theft under false pretences. It is my responsibility to ensure that valid and legal payment for the sale has been made by confirming with my bank that the funds are actually available for me to withdraw before handing over my property to the other person. Confirmation received via e-mail, the internet, or SMS is not sufficient

Scenario: If I sell my golf clubs I need to make sure that my bank confirms that the cheque has been honoured or that the money is not counterfeit before I hand my golf clubs over to the buyer.

- ✘ Property that has been legally confiscated
- ✘ Where any item is in the possession of another party who is selling it on my behalf, this will include any pawned item
- ✘ Consequential loss or damage, that is any loss or damage not directly caused by an insured peril unless specifically noted
Scenario: The depreciation of the value of my vehicle as a result of any damage sustained to it, is not covered.
Scenario: The loss of use of my car following an accident is not automatically covered; I would need to take the Car Hire option which will provide me with a hired car as a means of alternate transport whilst my vehicle is being repaired.
- ✘ Loss or damage caused intentionally by:
 - ◆ me
 - ◆ any person covered under this policy
 - ◆ any member of my household
 - ◆ any person with authorised access to my property
 - ◆ any one acting with my knowledge or consent
 - ◆ my tenant
- ✘ Damage caused intentionally by any of my employees
- ✘ Cover given by legislation or other insurance contracts
- ✘ Where I have breached any contract or I have accepted liability under an agreement unless MiWay would have had that liability if the agreement did not exist
- ✘ Liability which is covered by:
 - ◆ any other insurance or MiWay contract
 - ◆ any compulsory motor-vehicle insurance act
 - ◆ the Occupational Health and Safety Act
 - ◆ the Compensation for Occupational Injury and Diseases Act
- ✘ Any loss or existing damage which occurred prior to when the cover started
- ✘ Damage to plants or injury to animals, unless specifically stated as included elsewhere in this document
- ✘ Where optional cover is available under certain sections it is automatically excluded, unless the optional cover was selected and noted as included on my Coversheet

HOW DO I CLAIM AND WHAT DOCUMENTATION OR INFORMATION MIGHT BE REQUIRED FROM ME?

- I must submit my claim within the required period and can do so by:
 - ▶ registering a claim directly on www.miway.co.za or the [MiWay App](#)
 - ▶ calling the claims department on 0860 646464
- I will find more information about the claims process and what MiWay might require from me during the validation process on the MiWay website.

WHAT DO I PAY WHEN I CLAIM?

- Every time I have a valid claim in terms of this policy, whether the incident was my fault or not, I must pay an excess, which is the agreed excess and any applicable additional excesses, as noted on my Coversheet. The excess is the first amount payable by me on any valid claim.
- Any excess payable by me is non-refundable and the recovery thereof, in cases where the incident was not my fault, is not guaranteed.
Scenario: If my claimed amount (i.e. R2800) is less than the excess payable (i.e. R4000) on the claim, MiWay will not pay my claim as the damage falls within my excess. I will have to pay for the damage myself.

HOW MAY MIWAY INDEMNIFY ME?

- Subject to the terms of my policy, MiWay has the option to pay cash, replace or repair through a supplier or repairer of MiWay's choice or any combination thereof.
- If any item I claim for is financed, I understand that MiWay will pay the finance house first.
- Where a claim is settled for the loss of or damage to an insured item, and the item is considered uneconomical to repair, including whether or not it forms part of a pair or a set, these items become MiWay's property.

- If parts are not available and this delays the repairs process, I will not be indemnified by MiWay for the inconvenience it causes me or money I lose or for any liability I may incur because of the delay.

HOW DO I COMPLAIN?

- If I am not satisfied with anything concerning my insurance policy with MiWay, I may lodge a complaint with the internal complaints department by sending an e-mail to complaints@miway.co.za or by calling the MiWay call centre on 0860 646464. I may request to speak to a manager.
- If I am not satisfied with the outcome of my claim and/or I do not agree with the feedback provided by the internal complaints department/manager, I must first raise my objection with reasons in writing to MiWay. In the case of an objection to the outcome of a claim the objection must be made together with reasons within 90 days from the day that I first received written notification of the outcome of my claim.

The objection must be addressed to the Disputes Resolution Department and emailed to disputes@miway.co.za or faxed to 011 990 0001 or posted to MiWay Insurance, PostNet Suite #382, Private Bag X121, Halfway House, 1685.

Immediately after the 90 days, irrespective of whether I have raised an objection, I have another six months within which to sue MiWay. If I do not sue (serve summons) within this period, my right to challenge the decision will fall away forever.

- Should my complaint still not be resolved by the Dispute Resolutions Department I may approach the Ombudsman for Short-term Insurance for assistance: PO Box 32334, Braamfontein, 2017; Tel Number: 011 726 8900; Fax Number: 011 726 5501.

By approaching the Ombudsman for Short-term Insurance my right to issue summons will not fall away, any remaining time of the abovementioned six months will not run out during the time the Ombudsman has acknowledged my complaint and is dealing therewith.

Scenario: If I approach the Ombudsman for Short-term Insurance one month after I have received notification of the outcome of my objection from MiWay's Dispute Resolutions Department, I will still have 5 months after I receive a ruling from the Ombudsman, to sue MiWay if I want to continue disputing the outcome of my claim.

Cover is provided by Sasria SOC Limited and is automatically included in MiWheels, MiHomeStuff, MiMovables, MiPlace and MiWatercraft.

WHAT AM I NOT COVERED FOR UNDER SASRIA?

MiWheels

MiWheels refers to any South African registered passenger vehicle, light delivery vehicle (LDV) (with a gross vehicle mass not exceeding 3 500kg), motorcycle, trailer or caravan.

- ✘ Vehicles used for emergency services, law enforcement (including traffic control and armed response vehicles), towing, carrying fare-paying passengers (like taxi or shuttle services), delivery services, any form of racing, driving instruction, rental purposes, being used as a pool car, and vehicles modified for performance and speed are not covered.

Vehicles not registered in South Africa may be covered only for liability cover for damages caused to other parties by the policyholder/regular driver.

The vehicle that I have insured is noted on my Coversheet.

Insured Value

- My vehicle can be insured for one of the following values:
 - ▶ retail value *(the average current selling price (on a dealer's floor) as per the TransUnion Dealers Guide)*
 - ▶ market value *(the average between the vehicle's retail and trade values)*
 - ▶ trade value *(the average price that a motor dealer will pay you for the vehicle as per the TransUnion Dealers Guide, trade value is the lowest value)*
 - ▶ special agreed value *(which applies to unlisted, vintage and collectors' items where a valuation is given by an appropriate approved source)*

Where my vehicle is a previously rebuilt (Code 3) vehicle, the insured value is adjusted to 70% of market value.

- If my vehicle is either stolen, written-off or declared uneconomical to repair I will be paid my insured value, including the value of any specified accessories (refer to the Optional Add-on cover available), according to the fair and reasonable value of my vehicle at the time of loss. MiWay will establish a fair and reasonable value from reputable independent sources, taking into account the age, mileage and condition of my vehicle and accessories. My vehicle will be considered uneconomical to repair when the extent of the damage does not make financial sense to repair it, taking into consideration the repair costs and insured value of the vehicle.
- My Coversheet reflects the insured value, which is the maximum amount that will be paid in the event of a valid claim. The following amounts will be deducted when settlement of my claim is calculated:
 - ▶ excess
 - ▶ dual insurance
 - ▶ betterment
 - ▶ depreciation

The regular driver of MiWheels

My Coversheet reflects the regular driver of my vehicle(s). The regular driver is the person who drives my vehicle most often in any given monthly period. In order to have cover, it is important that MiWay knows who the regular driver is at all times.

Scenario: *If I am noted as the regular driver my premium is based on my profile. If my 18-year-old daughter starts driving my vehicle more often than me and thus becomes the regular driver of my vehicle I need to inform MiWay as the premium paid will be incorrect and I will not have cover on my vehicle in the event of a claim.*

Where I am Covered

- MiWheels is covered in South Africa, Botswana, Lesotho, Malawi, Mozambique, Namibia, Eswatini, Zambia and Zimbabwe provided the vehicle is registered in South Africa and the night time address where the vehicle is usually kept is in the Republic of South Africa.
- Cover outside of South Africa is limited to:
 - ▶ vehicles used strictly for private use
 - ▶ own damage only

Scenario: *If I am in a vehicle collision while in Eswatini, I will not have cover for the damage I caused to someone else's property. I must therefore ensure that I take out third party liability cover whenever I travel across the borders of the Republic of South Africa.*

My Obligations

In order to have continuous cover and a valid claim, I need to ensure that anyone driving my vehicle adheres to the terms and conditions of this policy.

Scenario: *If one of my friends drives my vehicle whilst being under the influence of alcohol or drugs and as a result causes an accident I will have no cover.*

Vehicle Security

- Theft and hijack cover is conditional upon the security devices, as declared by me and noted on my Coversheet, being properly installed, maintained and used for the purpose for which they were designed.
- MiWay may require additional anti-theft devices in my vehicle, the details of which will be confirmed with me and will be noted on my Coversheet.
- In order to have theft and hijack cover, I have to ensure that:
 - ▶ I install the required devices within the specific time period
 - ▶ the device, whether disclosed by me or required by MiWay, is always in full working condition
 - ▶ where a tracking device is installed in the vehicle that I notify the tracking company immediately after becoming aware of the theft/hijacking of the vehicle

WHAT AM I COVERED FOR UNDER MIWHEELS?

I have the option to choose from various product offerings under MiWheels and can select the risks that I want to cover my vehicle for. Where I have selected all the risks I will enjoy full comprehensive cover. Where I have selected only certain risks I will only enjoy cover for the risks I have selected.

The Risks

The risks that I have selected and am covered for are noted on my Coversheet. Depending on the product chosen, I can choose to be insured for the following:

- Loss or damage to my vehicle caused:
 - ▶ in an accident or intentionally or by animals other than my own domestic animals
 - ▶ by theft, hijacking, attempted theft or attempted hijacking
 - ▶ by fire or explosion
 - ▶ by earthquake, storm, hail, flood or snow
- **Liability to Other Parties**
 - ✓ I, members of my household (provided they don't have liability cover of their own) and the regular driver unless limited on my Coversheet are covered for legal liability following a vehicle accident that causes damage to other people's property. This includes legal costs which someone else can claim from me and which MiWay agrees to pay in order to settle or defend a claim against me. The maximum amount I can claim per accident is noted on my Coversheet.

To be covered for liability, the accident must involve:

- ▶ the insured vehicle, or
- ▶ any vehicle, motorcycle, trailer or a caravan being towed by the insured vehicle, or
- ▶ a vehicle which is not on the policy, but which I, the regular driver or any members of my household, personally drove as long as I/he/she have not hired it, do not own it or have it under a hire, lease or credit agreement. MiWay is not responsible for damage to the vehicle I/he/she drove, unless that vehicle is specifically insured for loss or damage with MiWay.

What am I **not covered** for under liability to other parties?

- ✗ Liability for death, bodily injury and/or emotional shock.
 - Liability for death and bodily injury is covered by the Road Accident Fund inside South Africa. When travelling outside South Africa, I should consider purchasing cover for liability for death and bodily injury. Country specific cover is often compulsory and available when entering countries.
- ✗ Liability for loss of or damage to:
 - ◆ property owned by me or uninsured property owned by any members of my household, any of my employees, the regular driver, any member of the regular driver's household, any of the regular driver's employees
 - ◆ the object/item being towed by the insured vehicle

- ✘ Liability where my vehicle claim was rejected, therefore any incident that causes damage to other people's property where the claim for loss of or damage to the vehicle itself is not covered.

Scenario: If my claim is rejected for my own damage and I have caused damage to another party's property, the other party's damage will also not be covered.

ADDITIONAL COVER

- In the event of a valid claim for the vehicle itself, the following is only covered if it is reflected as included on my Coversheet, up to the amount stated:
 - ✓ Towing, recovery and storage
 - ▶ Reasonable towing and storage costs to tow and store the vehicle at the nearest repairer. Only MiWay's approved towing operators may tow the vehicle after an insured event. Authorisation for towing must be obtained from the MiHelp emergency call centre on 08600 767 64 to ensure the safe removal and storage of the vehicle and that towing costs are not incurred by me.
 - ▶ Wreckage removal in the case that the insured vehicle needs to be recovered from a site before it can be towed on condition that the services of a MiWay approved towing operator was used
 - ✓ Emergency medical costs for the maximum amount as stated on my Coversheet for any passenger, who is lawfully in the vehicle with the permission of the Policyholder, injured as a result of the insured event
 - ✓ The replacement fees for lost keys and remotes as well as the replacement of locks and reprogramming of the associated vehicle systems
 - ▶ The excess payable for the replacement of locks and keys will be the standard excess for the vehicle.
- Emergency Alert:
 - ▶ If Emergency Alert is noted on my Coversheet, I qualify for the "Emergency Alert" feature on the MiWay App.
 - ▶ The MiWay App can detect a serious car crash and will notify MiWay if I am in a serious accident. MiWay will attempt to contact me to find out if I need assistance and to arrange for towing if necessary. If MiWay detects that it was a serious crash and can't get hold of me, MiWay will dispatch an ambulance to the location of the crash. While MiWay makes use of the best technology to ensure that we are alerted of all serious crashes, it could happen that a crash goes undetected. This could happen for a number of reasons such as my phone losing signal or being on battery saver mode. MiWay, its employees or service providers will not accept any liability or be held liable for any damage, death or bodily injury, directly or indirectly caused by MiWay's App's inability to detect a crash.
 - ▶ In order to have access to this feature, I must download the MiWay App, opt into the Emergency Alert feature and allow all required permissions. By allowing permissions, I give MiWay access to my phone's GPS (Location Services), accelerometer and gyroscope (Motion & Fitness or Activity Recognition) as well as Bluetooth (when applicable). If I do not at all times allow these permissions on my phone, MiWay will not be able to detect when I am in an accident and therefore I will not have access to the Emergency Alert feature on the MiWay App.
 - ▶ I have a responsibility to MiWay to ensure that my mobile device has sufficient data and that the latest version of the MiWay App is installed, to allow the App to function optimally.
 - ▶ In the event that I change my phone, I will again need to download the MiWay App and opt-into the Emergency Alert feature on the App to have access to it.
 - ▶ If the regular driver of the vehicle on cover is not the policyholder, the regular driver will also be entitled to access the Emergency Alert feature on the MiWay App. The regular driver will also need to download the MiWay App, opt-in to the Emergency Alert feature and allow all permissions as noted above. The regular driver will be bound by all the terms and conditions applicable to the Emergency Alert feature.

It also includes all permanent fixtures, fittings and improvements, such as walls, patios, driveways, gate motors, tennis courts, underground pipes and cables forming part of my building, swimming pools, pumps for swimming pools, boreholes and spas.

 - ▶ making the site safe
- Should I insure my building for an amount less than its replacement value I will be under-insured and will be paid proportionately less.
Scenario: If the correct replacement value of my place amounts to R1 000 000, but I chose to insure it for R500 000, I will only be paid out 50% of my claim amount.
