How it works

How to Name Drop

Any new or existing MiWay client is eligible to Name Drop. Log in to MiXpress. Go to the Name Drop page, accept the terms and conditions and start Name Dropping your friends. Capture the following details of your friends: name and surname; email address and cell phone number. You can Name Drop as many friends as you like, limited to 5 friends per session.

How to earn rewards

Each Name Drop gives you an earning potential of R1 000. Your friend will get an automated email from yourself and MiWay recommending that they take up a policy with MiWay. Qualifying policies will be those with a premium of at least R500. Once your friend has made 3 successful premium payments on their insurance policy, MiWay will pay R1 000 in cash into your bank account.

Double your rewards

You can double your rewards for every 5 friends who take up their policy online. Suddenly, your R5 000 becomes R10 000 and R10 000 becomes R20 000 and R20 000 becomes R40 000.
